

KC Constructors

Construction Intern

Summary

KC Constructors will provide interns with learning opportunities within a small commercial construction environment. Interns apply and test their knowledge and skills on project sites and/or in an office environment. KC Constructors will potentially offer further employment opportunities at the end of the intern period, depending on intern's work history, availability and desire to join our team.

Typical Duties:

During the program, interns have opportunities to gain relevant field experience in some of the following areas:

- Assisting/observing management of ongoing projects
- Monitoring contractors and subcontractors for construction, renovation, remodeling, and maintenance.
- Estimating and bidding
- Working in the Field (including under our in house licensed electrician)
- Work in several aspects of Construction, e.g. Preconstruction, Project Management, Field, etc.
- Competitive Wages

Responsibilities may include:

- Providing direct support to the Owner
- Supporting all efforts related to the project's initiatives and interfacing with clients and co-workers as required.
- Performing a wide variety of field tasks including carpentry, concrete, clean-up, etc.
- Assisting the Supervisor with planning and coordinating department / project related schedule, budget, and developmental tasks and functions.
- Participating in the planning and implementation of projects and initiatives.
- Interacting with colleagues, clients, and/or other internal or external constituencies in the planning and carrying out of activities and assignments.

Qualifications

- Currently enrolled in a college or University
- Interest in working in the construction industry

Physical Demands

- Continuously sit, stand or walk
- Bend, squat, climb stairs or ladders
- Lift frequently, occasionally up to 50 pounds

Work Environment

- Active project sites
- Office

Pay

- \$14/hr

Come join our team and build a future you're proud of.
