

KC Constructors

Ground Floor Labor

Summary

We know everyone starts from somewhere! "Ground Floor" Laborers are individuals with a desire to learn more about construction processes and move up in the ranks over time. KC Constructors provides consistent learning opportunities within a small commercial construction environment. Our Ground Floor Laborers apply and test their knowledge and skills on project sites of varying sizes and scopes, making each day a new experience.

Opportunities:

Opportunities to gain relevant field experience in any of the following areas:

- Carpentry – installation of casework, doors and frames, trim
- Electrical – anything from changing lightbulbs to running new service
- Site Work – light machine grading, digging, barricades, etc.
- Customer Service – Directly translating the work to be done, how it will be done to our customers

Daily Responsibilities may include:

- Providing direct support to the Owner
- Supporting all efforts related to the project's initiatives and interfacing with clients and co-workers as required.
- Performing a wide variety of field tasks including carpentry, concrete, clean-up, etc.
- Participating in the planning and implementation of projects and initiatives.
- Interacting with colleagues, clients, and/or other internal or external constituencies in the planning and carrying out of activities and assignments.
